Sponsor Benefits:

All Sponsors: Sponsors contributing \$200 or more (donated to an artist or given to the City in supplies, equipment, or services) to the project and/or event will receive recognition on the City's Facebook page, promotional materials for the June 11 Goshen Water Fest storm drain art unveiling and Rock Run Creek clean-up event, and day-of event signage.

Artist Sponsors: The name or logo of the sponsor will be listed on the City's website next to the picture of the artist's work. This information will also be listed on printed and online art walk maps.

Sponsors Contributing \$1,000 or More: Donations totaling more than \$1,000 will be listed on all promotional and event materials as an event partner.

Sponsors and artists should understand that the finished works of art will be on functioning storm drains, sidewalks, and roadways that may need repair. They could also become targets for vandalism. Sponsors and artists must accept the risk that the artwork may become damaged, altered, or removed at any time after completion for cause determined by the City per the artist's agreement. Note: Efforts will be made to protect and seal the art for longevity.
